

College Center Meetings

Freshman College Planning Meeting

This meeting is designed for 9th graders to help parents and students understand the college selection process. The discussion will include testing, college planning timelines, and types of colleges. We will also have a college admission representative present. **November 29, 2017.**

Sophomore College Planning Meeting

This meeting is designed to help sophomores and their parents gain a better understanding of the college selection process. Discussion of college entrance exams, student profiles, and college profiles will be discussed. A college admission representative will also share some thoughts about the process. **January 17th, 2018.**

College Planning Seminar for Juniors

This evening seminar is composed of two meetings. **The first is November 15th, 2017 and the other will be March 14th, 2018.** Topics for the first meeting include testing, preparation, college attributes, and early decision, among many others. The final meeting will be in a conference format in which families can select their topics from their interests. Topics will include college athletic recruiting, military options, ACT vs. SAT, and many more.

Senior College Planning Meetings

We will offer two evening meetings for seniors. The first is **August 30th, 2017** and will focus on the college application process. The second is **September 27th, 2017** and will focus on Financial Aid and Scholarships.

Senior College Meetings

I will meet with Seniors in Religion class periods early in the year to explain the college application process and prepare students for their applications.

Junior College Meetings

I will meet with Juniors in Religion classes beginning in November to cover varied college topics. I will also provide topical workshop sessions throughout the year.

Individual student and parent meetings

Of course the heart and soul of the Guidance Office is and always will be the opportunity to meet individually with students and parents as they navigate the complex college selection process. I hope to provide the very best customer service available.
