

FINANCIAL ASSISTANCE

St. Charles Preparatory School is devoted to attracting boys from all economic and geographic backgrounds from Central Ohio. It raises funds to help maintain the school's founding promise 94 years ago that "No young man seeking a St. Charles education will be denied admission based on economic means."

- Ongoing support from St. Charles alumni and parents and the Central Ohio community has made it possible for the school to extend

\$1.4 million in financial aid and academic scholarships for the 2017-2018 school year.

- The St. Charles Endowment is made up of over 120 individual funds that provide tuition assistance to our student families.
- Nearly 47% of all families receive some form of aid to assist with their tuition.
- In addition, the school also provides academic scholarships based on the results of the 8th Grade Scholarship Test.

This year that amount totals more than \$380,000.
