

# THE SAINT CHARLES LEARNING FORMATION PROGRAM

Supporting students and improving academic achievement through:

- subject-specific tutoring
- help with study and time management skills
- regular student check-ups to monitor academic improvement.

The Team:

- schedules weekly tutoring appointments with students and supervises National Honor Society peer tutoring sessions in the Learning Formation Center.
- coordinates with teachers to space out large assessments to maintain a more manageable testing load for students on any one date.
- helps students track due dates and prepare in advance for larger assessments (tests, papers, unit quizzes).
