New St. Charles Charism Award Essay Sessions Begin Next Tomorrow!

Students entering the St. Charles Class of 2026 (current 8th grade students) will be among the first to benefit from the newly formed Charism Awards. These awards are grants for students who have shown they exemplify the values of our school or qualities of the school's patron saint, St. Charles Borromeo, in their daily lives.

Students will be considered for these awards through an essay submission that describes how they have been a leader or served their community and how they plan to make an impact here at St. Charles

Students will write their essay during one of three opportunities held on the campus of St. Charles Preparatory School.

**February 15, 16, or 17
6:30 pm - 8:00 pm**

This opportunity will award a minimum of one scholarship to a student from each parish.
