Class of 2026 - Application Process

A note from the Admissions Office:

We're excited to see an increasing number of students and their families of the upcoming Class of 2026 on our campus! We're happy to see so many new faces and have an opportunity to welcome you to campus!

Once a student submits an application for admission, you should receive an automated confirmation with some next steps to move forward in the process.

If you believe you have submitted your application but have not received that message or if you would like to speak with us about the status of your student's application please contact Sam Binnig '10, Director of Admissions at sbinnig@scprep.org or by phone at 380-209-2228

2026 Winter Half-Day Visits Added

Missed the 8th Grade Half-Day Visits (or Grade School Visits) this Fall?

We have added two additional dates to the calendar for 8th grade students who were not able to participate in one of our half-day visits this past November. Many of the Catholic grade schools in the area attended these visits as well as students from other schools across Central Ohio.

These visits have been scheduled for:

Thursday, February 10, 2022

and

Tuesday, February 22, 2022

from 9am until 12:30pm each day.

During this visit, Future Cardinals will have an opportunity to meet with current St. Charles students, sit in on a few of our classes, visit with faculty, staff, and coaches here at the school, tour campus, and enjoy lunch in our cafeteria provided by the Admissions Office.

Please share this visit opportunity with friends, family, or others in your community that you think might want to learn more about St. Charles!

To register a student for this visit, please visit:
