Class of 2026 Admission Checklist

Wondering if you've completed everything necessary to be a Cardinal this upcoming year?

Follow the checklist below to ensure you're on the right track!

Complete all 8 and you will be GREAT!

Step 1: Submit your application

Online Application

Step 2: Send in your report card

[Submit Grades Here!](#)

Step 3: Schedule your Interview with the Administration Team

[Schedule Now](#)

ACCEPTED: NOW WHAT?

Step 4: Apply for Tuition Assistance (Optional)

[Apply Here](#)

Step 5: Sign up for Bridges to Future Summer Classes

[Summer Programs](#)

Step 6: Need a copy of your Tuition statement

[Contact Finance](#)

Step 7: Have you Turned in your Commitment Form in order to be enrolled and schedule your classes?

Step 8: Have you sent in your class schedule?

Submit your Schedule

Competency Tests:

Competency testing is offered in a limited number of subjects which rising 9th graders may have taken in middle school. Such subjects may include Algebra I, Geometry, Algebra II, Spanish I, French I, and Latin I. If a student has already taken Algebra I in 8th grade, for example, we recommend that he take the Algebra I competency test to give himself more information about his preparedness before moving forward with Geometry as a freshman. If a student has already taken Geometry in 8th grade, he should take the Geometry competency test. These tests give the student and his parents more information about the content knowledge that the student should have already mastered before pursuing a higher-level course as a freshman.

Competency tests are offered on June 9 and June 16, at either 10:00am or 1:00pm. Register at this link: <https://www.stcharlesprep.org/summer-camps/> If you have any questions, please contact Ned Gruber at (614) 804-7230 or ngruber@scprep.org.

Bridges to the Future Program

The “**Bridges to the Future**” courses are month-long preparation classes geared toward addressing any learning gaps and bridging their previous education with the curriculum that current 8th graders will take in the upcoming school year.

- **Algebra I Preparation** for math basics & Algebra I.
- **Latin I Preparation** for Latin I & grammar structure.
- **Writing and Grammar** reinforces parts of speech as building blocks of the English language, understanding their functions in sentences, and writing purposeful sentences and paragraphs.

These courses are a great way to get ready for classes your freshman year at St. Charles, start to get to know some of your incoming classmates, and meet faculty and staff here at the school!

Summer Class Programs Registration

Several students each summer have to miss a few Bridges to the Future classes for various reasons (vacations, sports competitions, camps, family reunions, etc.). We still highly recommend taking these courses even if you need to miss a few days. We live stream and record our lessons on a learning management system called Canvas so that students can follow along with class even if they are away from school. Students will make summer Canvas accounts a few days before classes begin--more details will be sent to those who register for courses, and we will make sure on the first day of classes that everyone can access Canvas. If you are going to miss the first day of class and have any trouble making the summer Canvas account after directions are sent to you, please contact Ned Gruber at (614) 804-7230 or ngruber@scprep.org. We will get you set up with an account in advance so that you can get off on the right start and follow along with classes.

FALL SPORT INFORMATION

WATER POLO

Water Polo will be starting practice 8/1 as competition will start that week. We will of course take anyone after that 8/1 start date, but would love to get as many participants in the pool as possible at 8/1! Polo makes NO cuts and all are welcome, regardless of swimming ability!

For more information, contact Coach Andrew Hoffman
WaterPoloCoach@scprep.org

CROSS COUNTRY

Captain Practices will start June 13th at 9am-10:30am at St. Charles and will be held Monday-Friday.

All questions should be directed toward the Captain Parent: Kevin Sage
sagekevj@gmail.com or 614-270-8261.

GOLF

Any students interested in playing golf in the Fall for St. Charles, please contact coaches Brian Unk (brian.unk@gmail.com) or Rick Thomas (r9thomas@gmail.com) for more information. Tryouts start August 1st, voluntary summer practices will start around July 10th.

FOOTBALL

Weight lifting starts on **June 6th**.

If you are interested and would like to know more information about the football program, contact Coach Hocker.
dhocker@scprep.org.

SOCCER

Conditioning for Soccer starts **June 6th**.

If you are interested and would like more information please contact Coach Vonau.
soccercoach@scprep.org
